

Our Promise to you

We will be contactable throughout your planning process, to ensure your dream menu comes to life. Starting with your initial plans, we will arrange a meeting to discuss what you have in mind and how we can cater for your needs. We will explain the options that we offer, helping you create your personal menu. We are not limited by our menu, so your ideas are welcome. These can be as creative as you wish. Our coordinators will always be an email away for any questions, providing advice along the way. You will have a designated events coordinator and a team on the day to prepare, serve and be a helping hand when you may need us.

Orchard wedding policy

Prices are based on a minimum of 50 adults for your wedding breakfast and an additional 30 guests for evening food (unless stated otherwise). Children's menu supplied on request. Smaller parties will be priced separately. Should there be any reduction in numbers or change to the menu selections, timings or significant increase in raw ingredient prices, we reserve the right to increase prices or apply a service charge.

We are not liable for any food provided by external parties.

Your Venue

We are named caterers at a range of different venues; we are more than happy to venture out. This is subject to the below: you undertake to provide adequate kitchen space and tabling for food preparations. Additionally, good, clean water supply (into kitchen area) and adequate electric power (typically a 30Kva generator for a hot sit down meal). If the chosen venue is a marquee, (see below) or does not have a kitchen, you are responsible for providing a commercial kitchen space. Failing this, a kitchen supplement charge may be applied if we do need to setup our own kitchen space. For a marquee function, we would normally require a service tent of 20' x10' depending on number of guests and type of event.

Please get in touch at enquiries@orchardcatering.co.uk if you would like to discuss kitchen requirements in more detail. We are happy to travel to cater for your wedding, however additional charges may apply.

Tasting day

We recommend our couples have a tasting day prior to their wedding day, this enables their final menu choice to be made. We offer these at £50.00 per head to our couples, however if you go ahead and book with us this will be taken off your final balance.

This can be payable via bank transfer prior to our scheduled tasting days. Unfortunately, our tasting days cannot be held at our unit, although we do schedule these in at the start and end of each year. Please be in touch for these dates
