

Here are some ideas from events we have catered for in the past. These are only ideas but it will help you with your ideas and choices for your event. we would be delighted to discuss these ideas in more depth with you at our initial meeting.

## What our customers say

*"I have been using Orchard Catering for over two years now to supply lunches for either Training Events or Corporate Lunches. During that time we have had no problems, either in ordering the food, delivery times are always met and the food comes at a very high standard quality. I have absolutely no issues with the Company, their staff are friendly, courteous and go about their business that does not interrupt events that are going on in the office.*

*"I would highly recommend them for any business that they may get, knowing that they will give a very high level of service."*

Trevor King, Senior Accountant, Sorin Group

*"Thank you SO much for organising the catering for us for the hen weekend. The food was delicious, the table looked great and all the staff were lovely. It was perfect.*

*"I would absolutely recommend Orchard Catering. "Thank you for all your help! You made it go very smoothly!"*

Emma (Hen Weekend)

---

*"Everything was great Saturday night - exceeded expectations!*

*"The food was all lovely - all guests were really impressed - and the chef and 2 ladies were great. They even entertained my son for me so I could enjoy the main meal which was above and beyond!*

*"If I'm ever in the area again I will definitely book again."*

Sarah (Birthday Celebration)
